2 RIDE THE WORLD TOUR PRESS RELEASE

If you're looking for "like minded friends" to share your next big adventure with, and really want to make 2019 YOUR year, then this is for you!

In October 2019 Simon & Lisa Thomas, better known as "2 Ride The World", will be returning to their favourite continent, Africa, but this time they are inviting you to join them on this amazing adventure.

In a recent interview, Simon Thomas said "The world can be a scary place but when explored with the right group, it can also be full of wonder. Our new Africa tour will allow our riders to cross paths and connect with compassionate people from differing cultures. In Africa incredible 'life-experiences' are a daily occurrence. The rider's are going to be blown away."

Riding every day with two of the

most accomplished adventure riders on earth is a rare opportunity in itself, but sharing a ride with them across one of the most intensely beautiful and rewarding areas of the world, well, that's a once in a lifetime experience.

For years, Simon and Lisa have dreamt of sharing the best Southern Africa has to offer, and now they have now teamed up with Ayres Adventures, one of the premier and most established Motorcycle Touring Companies in the world, to create a private "turnkey" tour, and they are inviting you to join them for the ride of your life.

A BMW motorcycle of your choice

will be supplied, so you'll have no shipping hassles. The tour will also be supported by a fully equipped back-up vehicle, experienced staff, and luxurious accommodation and..., well you get the idea.

The fully loaded 16-day tour travels across three countries, starting in one of the most iconic capital cities in the world, Cape Town. Rider's will then ride through Southern Africa into Botswana and finally into Zambia, where the tour will finish at the legendary Victoria Falls on the Zambian border.

The tour is primarily road based, which also makes it ideal for couples that want to experience Africa

together on one motorcycle, or for the new adventurer who's looking to learn from the best.

At the end of each day you'll have been fully immersed in what Africa has to offer, excitedly chatting with new friends by the campfire as you relive that day's highlights; perhaps that was the delicious wine at lunch or the strolling elephant that meandered past you this morning, or perhaps the group of Massai warriors that waved and clapped at you as you rode past?

Lisa Thomas recently commented "Bringing your bike to a stop whilst you sit and watch Zebra grazing or a meandering elephant cross the road,

is incredibly special and humbling" .

With only a few spaces left, get in touch and make your dreams come true.

Simon and Lisa Thomas of 2Ride the World have teamed up with Ayres Adventures to design a private African tour especially for their friends and followers. Simon and Lisa wanted a tour that would start in arguably the most beautiful city in the world – Cape Town – and end at one of the most famous natural wonders of the world, Victoria Falls. In between they wanted an authentic sampling of the African safari experience and, of course, fabulous riding. Result: Cape Town to Victoria Falls.

In addition to the iconic start and end locations, this 16-day Club Class tour features invigorating mountain passes, sweeping coastal highways, and roads that lead through wine country, fertile valleys and along rural landscapes dotted with traditional African villages. To complete the African experience, a full day on safari in Kruger NP and a wildlife cruise on the Chobe River are included. The tour ends with a visit to one of the seven wonders of the world, the impressive Victoria Falls known also as “smoke that thunders”.

Cape Town is a great place to spend a couple of extra days prior to the start of the tour. If you decide to arrive early, some of the activities you might enjoy include walking up Table Mountain, taking a city tour, touring Robben Island or just enjoying the numerous cafes, restaurants and shopping diversions that the waterfront has to offer.

Highlights include:

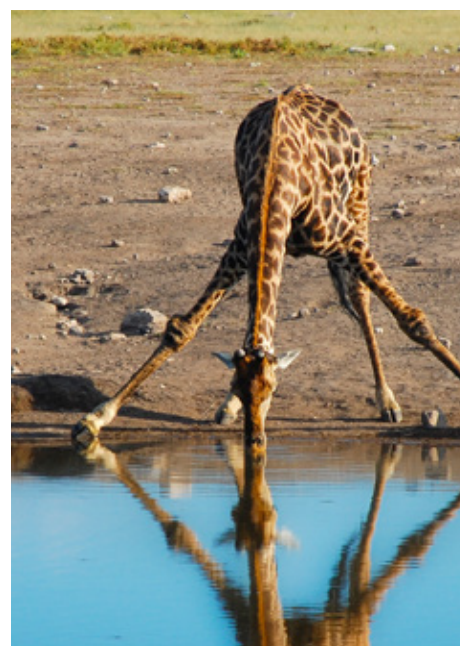

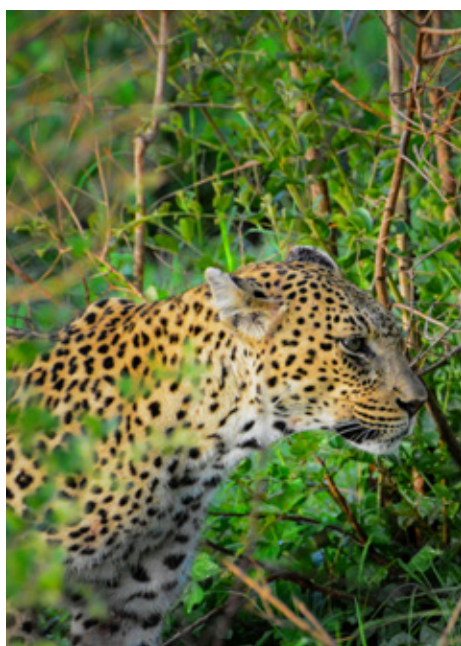

- Ride every day with Simon and Lisa - 2Ride The World
- A night in the beautiful city of Cape Town
- Tradouws Pass, South Africa's wine route, The Klein Karoo (semi-arid desert), Oudtshoorn (ostrich capital of the world)
